Heavy rain bringing flooding on Friday morning

What to expect

- Spray and flooding probably leading to difficult driving conditions and some road closures
- Delays and some cancellations to train and bus services are likely
- Homes and businesses are likely to be flooded, causing damage to some buildings
- A good chance some communities will be cut off by flooded roads
- Fast flowing or deep floodwater is likely, causing danger to life

Further details

Rain will become heavy and persistent overnight into Friday morning. Accumulations of 40-50mm are expected quite widely with 60-70mm possible in a few upland locations. Following recent wet weather, river and surface water flooding is likely. The rain will clear to the east by the end of the morning.
